

UNITED ELECTRONICS AND OTHER WELL-KNOWN ENTERPRISES HOLD JOB FAIR AT TKU WINNERS-TO-BE WANTED!

In order to assist graduates in job hunting, Career Planning and Placement Section, Office of Student Affairs, is to hold 9 lectures and 35 briefings from this week to the end of March. Students are welcome to join the event and find appropriate jobs before graduation.

Several well-known enterprises come to Tamkang for winners-to-be in job market: Starbucks; the two leading companies in sea transportation, Evergreen and Young-Ming; the legend of semi-conductor industry, United Electronics; the top of chain bookstores in Taiwan, Eslite; national and international insurance companies such as Fubon, Taiwan, ING, and Nanshan; heads of banking such as Citi-bank and Far-Eastern; and Watsons, Shin Kong Mitsukoshi and Asus Computer.

Several famous business figures are invited to the lectures of career counseling to share with students their working experiences and strategies of job hunting. TKU' s alumni Hu Deh-ming, manager of marketing of MicroSoft Taiwan, will talk on how he went through all the difficulties, while Fang kuang-wei, manager of public relationship of 104 Bank of Human Resources, plans to teach students how to triumph over scams when hunting jobs.

Besides, Career Planning and Placement Section will hold 2006 on-campus job fair at the Student Activity Center, located on Poster Avenue and Student Commons; more than 100 enterprises will come to the fair to serve every graduate.

Students are encouraged to participate in the aforementioned activities to know their own specialties, catch up with trends in job market and plan future careers as early as possible. (~ Han-yu Huang)
