

ICTLE-CONFERENCE ON TEACHING EXCELLENCE THIS WEEK

Department of Educational Technology and Center of Learning and Teaching will co-organize “ICTLE 2007 International Conference of Teaching and Learning for Excellent” at Chueh-Sheng International Conference Hall on April 20th and 21st; Vice President for Academic Affairs, Feng Chao-kang, will host the opening ceremony. Besides several presentations of papers, scholars from University of Indiana (USA), University of Kebangsaan Malaysia, and University of Singapore are invited to make keynote speeches.

Students and professors from Tsinghua, Chungcheng, Donghwa, and Hualien Educational University will present papers in the conference. According to Chair of Dept. of Educational Technology, Lee Shih-chung, the focus of the conference is the integrated future development of teaching excellence and technology; the conference, hopefully, can build up a platform for scholars' exchanges and sharing of experiences.
