

DANCE AND JOY IN SEVILLA SPRING ASSEMBLY: SPANISH DEPARTMENT

Department of Spanish held a “Sevilla Spring Assembly” at multi-functional performance hall (V101) in Audio-visual Education Building last month (28th). They invited Zhen Dancing Team to perform and teach audience Spanish dance. All people dance together and the atmosphere is very high.

The Zhen dancing teacher, Beta, performs two solo dances. Her beautiful gesture and dance gain a lot of applause. Besides, there were three graduate students reciting Spanish poems. Dr. Soang Lih-lirng, Associate Professor of Department of Spanish, brought Sevillanas dance with members of a Spanish Dancing Club, which will be established next semester. Dr. Soang Lih-lirng, the host of the activity, expresses that Sevilla Spring Assembly is a traditional activity that Department of Spanish holds every year. The activities, including dancing and poetry reciting, represent Spanish cultural tradition. She hope the activities can popularize the Spanish culture. (~Shelley Tang)
