

FRENCH ATTACHE VISITED TKU LAST MONTH

The Attache de cooperation scientifique et universitaire, French Institute in Taipei, Dr. M. Arnauld Lalo visited TKU on May 20. International Affairs Vice President Wan-chin Tai, International Exchanges and International Education Director Pei-wa Lee and Chemistry Department Chair Bo-cheng Wang, etc. met and gave him a bulletin briefing at Ching-sheng International Conference Hall.

Dr. Lalo hoped that the French Institute could have further contact with TKU regarding chemistry related issues. Led by Bo-cheng Wang, he visited some facilities of TKU. He mentioned that he had heard about TKU's reputation of high internationalization and development. He also highly praised students' English proficiency. Bo-cheng Wang expected to have closer exchanges and cooperation with the French Institute in Taipei. (~Dean X. Wang)
