

COLLEGE OF INTERNATIONAL STUDIES TO HOLD CONFERENCE ON TAIWAN' S RELATION WITH THE WORLD

TKU College of International Studies will hold a conference, "Taiwan' s relation with the world in 2010," which focuses on the nation' s relations with the rest of the world. The conference is divided into four sessions, dealing respectively with Taiwan' s relation with Europe, America, East Asia, South East Asia and the China. Dr. Chiu-ching Kuo, Chair of Graduate Institute of European Studies, said that the study of Taiwan' s relations with the world is an important issue for the country. Such a study is based on social science and is aimed at a better understanding of each region' s politics, foreign affairs, and economy issues as well as global environment as a whole. Through such a study one can better help Taiwan' s international development. (~Yeh Yun-kai)
