XU has persistent interaction with our College of Businesses and College of Management in particular, which benefited both sides a lot. Dr. Zhu was very excited about his first trip to TKU, and showed his appreciation for TKU' s good care of XU' s students. Zhang Mo-dung, an exchange student of Dept. of Mass Communication from XU, said that she was very lucky to see many renowned figures in the forum. In her opinion, the interaction of the ordinary teachers and students is very important.
