

The College of Management Year of the Rabbit Gala

On the 13th of January at 6pm, the TKU College of Management held an end-of-Chinese Year party. At the event were over 150 teachers, staff, and department alumni.

Apart from a giant feast, the evening featured a continuous line up of live entertainment, which included a singing duet by the Dean of the College of Management, Dr. Wang Chu-ching and department alumnae, Ms. Lin Li-yu. The centerpiece of the evening's entertainment, however, was a large-scale bingo contest, which offered one lucky guest the chance of winning up to NT \$12,000. In the end, the main prize was claimed by a recently arrived associate professor of the Department of Business Administration, Tsao Hsiu-yuan.

During the event, Dr. Wang expressed his gratitude to all College of Management faculty and staff for their concerted efforts throughout the year.
