

A Post Mid-term Costume Party

Last month, on the 29th April, the TKU Bartender Skill Learning Club held a Post Mid-term Costume Party. Special disco lights and a live DJ created a lively, lounge bar atmosphere. There were also performances by the Guitar Club and the Classic Guitar Club, as well as cocktail-making demonstrations in which senior club members showed attendees how to make well-known cocktails, such as Blue Coral, North Pole, and Green Devil.

Department of Japanese freshman, Guan Ji-wei, commented “This is my first time participating in a bartender club activity. It’ s really great fun” .
