

Four Firsts in MOS

This year, Tamkang earned four first placings in the Northern Taiwan preliminaries of the 2012 World Cup in Computer Application Skills Competition. The successful entrants included Chu Chi-Kai, who came first in MOS World 2007 Expert and MOS PowerPoint 2010 Expert; Tseng Ting-ya, who finished first in the category MOS Word 2007 Expert; Chang Fu-Chi, who took top spot in MOS Word 2010 Expert.

In addition, Tamkang registered an impressive result in MOS World 2010 Expert, in which it claimed the top ten places. The Section Chief of the Career Guidance Section, Chu Pei-ying, commented: in the future, we will continue to train talented entrants in the hope of bringing glory to Tamkang and to the whole of Taiwan.
