

A Concert to Kick off EU Week

In order to raise students' awareness of EU issues, TKU recently held the 4th EU Week series of activities. The week-long event was organized jointly by the Graduate Institute of European Studies, the TKU Center for European Union Studies, and the

TKU Memorial Library. The events commenced with an opening ceremony concert held on May 9. The President of TKU, Dr. Flora Chia-I Chang, in her opening remarks at the concert, commented: "commencing EU week festivities with a concert reflects the uniquely artistic nature of Europe". Meanwhile, the Deputy Director General of the EU Center in Taiwan, Francis Yi-Hua Kan, commended TKU for its foresight in setting up Taiwan's first graduate institute of European studies back in 1971.

The concert featured several entertaining performances, including a talented synthesis of a flute and B-Box.
