

It' s Tamscar Time

Introducing Tamscar: a mix between Tamkang University (“Tam”) and the glitzy extravagance of the Oscars (“scar”). The product is a night of fun and entertainment, as Tamkang farewells its graduating international students in larger-than-life Oscar fashion.

The evening, to be held on June 5, will be hosted by students from TKU' s Volunteers of International Students (VOIS), and will feature lively performances, musical numbers, and cultural interaction.
