

Testing Students' Knowledge on Germany

How much do you know about Germany? On March 6 (Wednesday), TKU's Department of German held a trivia contest at the College of Business and Management, Tamsui Campus. The contest consisted of multiple choice, question and answer, and various stages that entrants had to successfully pass.

Trivia questions covered Germany history, cultural traditions and rituals, landmarks, industry, inventions, and the arts. In the end, first place went to a group of 4th year German students called the "Three Little Pigs" .
