

Exciting Activities Draw Large Crowds to EU Week

As part of the 5th annual EU Week, a classical concert was held on May 9 at the Carrie Chang Concert Hall, Tamsui Campus. The concert drew large numbers of students and teachers - 250 in total - who flocked to the Hall in the hope of seeing several well-known artists: Hua Pei, who plays the flute; Carlos Zingaro - the pride of Portugal; and Chuang Tai-Ju, a local pianist. Together, they performed Carmen Fantasy and other renowned tunes to a grateful audience that included Dr. Gwo-Hsing Yu, the TKU Vice President for Academic Affairs. After the performance, the winners of other events in EU Week were announced.
