

The Department of Educational Technology Signs Three Way Agreement

【Reported by Qian-wen Pan, Tamkang Times】 On October 23rd the Department of Educational Technology signed a three-way agreement with Dopod International Corporation and Faith Hope and Love Foundation in Ching-sheng International Conference Hall. In attendance was the Vice President of Administration, Po-yuan Kao, The Dean of the College of Education, Dian-fu Chang, the manager of the Hope Faith and Love Foundation, Wan Lai Wu, and Dean of the Department of Educational Technology, David Tawei Ku.

Wan Lai Wu stated, “One of the greatest donations a junior college could receive is HTC Flyers. I hope it will be effective for the development of all of the students in the Department of Educational Technology. May their future’ s be impacted with innovation and promise.” Po-yuan Kao stated that he believes that the Faith Hope and Love Foundation is more than just a provider of educational resources. They also have a significant influence and impact on the enterprises in our society. He believes that the success of the students will become the greatest advertisement for Faith Hope and Love Foundation.

David Tawei Ku, stated that because of the Department of Education’ s project of “High School Career Assistance for 2013-2014,” this new alliance could be of great assistance to create more effective ways of educational development. He stated, “Now students will be able to utilize a digital academic curriculum for research and strategic models. It is especially fitting to use the Learn Mode development program for the core of our basic curriculum.”
