

TKU' s Education System Reaches Out to Indonesian Students

【Reported by Qi Zhuo, Tamkang Times 】 In order to strengthen the academic exchange between Taiwan and Indonesia, the Director of the Admissions Section, Hui-chuan Chen, participated in the 2014 Indonesian Education Development event. The event took place in Jakarta and Hui-chuan Chen expressed that the Chinese market will eventually become the global market, making Chinese language courses a valuable commodity for higher education. Hui-chuan Chen reported that this Chinese research camp received a warm welcome and is sure to help attract many new Indonesian students in the near future.
