

Graduation Made Simple

【Reported by Qi-zhuo, Tamkang】 A few changes for students with minors and double majors programs have occurred. Now students that would be unable to graduate due to a lack of credits of their minor or double major program, are able to opt out of the program to gain graduation qualification. This new policy begins from January 31st. Also students who have passed the English Proficiency Test and Graduation Threshold for Undergraduate Students for the first semester, are able to receive their certification on January 31st and students who passed the examination for their second semester can receive their certification on September 30th. For more information please contact the related department office.
