

Director of OICSA Attends 2015 American Education Conference

【Shao-qi Zhang, Tamsui Campus Report】From May 24th to the 29th Director of the Office of International and Cross Strait Affaris, Pei-wha Chilee, traveled to Boston for the 2015 American Education Conference. She expressed, “It’ s the largest educational conferences in a America with a total of 10,000 participants. Not only were we able to have a great exchange with members of our sister schools, we were also able to plan more future academic exchanges and cooperate on curriculum ideas. This is certainly a step in the right direction in terms of international development.”
