

Soochow Cup Freshman Fencing Tournament – Fencing Club Wins Double Gold

The Fencing Club participated in the "19th Soochow Cup National Freshman Fencing Invitational Tournament" at Soochow University from March 27th to 28th. 7 players with one year of fencing experience participated in the competition. After a series of competitions, they obtained the team double gold medals. Men's foil team competition won the gold medals by Yong-Pei We, a sophomore from the Department of Chemical and Materials Engineering, Jui-Chang Chuang, a freshman from the Department of Banking and Finance, and Wei-Chen Chang, a freshman from the Department of Aerospace Engineering. The men's sabre team competition was won by Chia-Yu Hsu, a freshman from the Department of Civil Engineering, Ting-Chang Yen, a freshman from the Department of Aerospace Engineering, and Kuan-Liang Shih, a freshman from the Department of Innovative Information and Technology.
